How To Work Like a Cat

Fun photos of cats and dogs (mostly cats) illustrate humorous (and dubious) career advice.

“In most jobs, you’re expected to work like a dog—show boundless enthusiasm for any dull and pointless task ... act thrilled with any meager reward ... play nice with the other dogs ... and never question the leader of the pack,” writes Karen Wormald, C’87. “You need to wise up and end this ridiculous canine charade. Cats have it all figured out. They live by their own rules.”

Wormald’s book makes an entertaining contribution to the eternal cat-versus-dog debate.
